

This notice was sent to a wcDesign.com client via email. Notice the unprofessional email contact address and the fact that they do not mention which search terms they used. We did a Google search based on the suffix of their email address and did not find this company at all! Notice the spelling, punctuation and grammar mistakes, prevalent in many email scams.

Hello and Good Day!

I am Ellen, Business Development Manager

I was surfing through your website and realized that despite having a good design; it was not ranking on any of the search engines for most of the keywords pertaining to your domain.

I was wondering if you would be interested in getting the SEO done for your website.

There is a simple equation that is applicable to the online world.

Ethical SEO -> Better Traffic -> Higher Sales.

We are an ISO Certified, SEMPO registered Online Marketing firm and have over 6 years of working experience. All the techniques used are ethical and proprietary.

In case you require any additional information, it shall be our pleasure to furnish the same.

I look forward to your mail.....

Yours sincerely,

Ellen Romijm

Business Development Manager
